

How to Keep Your Plan Healthy in the Age of COVID-19

Sally Wineman, Gallagher

Moderator: Scott Howell, Gallagher

With the outbreak of the Coronavirus in 2020, it would be easy to put your benefit plan into quarantine and not make any changes or think that COVID-19 doesn't impact how you administer your plan. Don't socially isolate your plan! Join Sally Wineman, Compliance Counsel for Gallagher, as she walks through how to vaccinate your plan from COVID-19, to stay healthy for your organization and your employees in 2020 and beyond.
